Lindsey O'Brien Kesling Wishing Tree Foundation, which provides opportunities for development of local partnerships for youth performing arts programming, will participate in the Unity Foundation's Friend's Helping Friends event to be held in Michigan City on Friday and Saturday.

The LOK Wishing Tree Foundation was founded in memory of Lindsey O'Brien Kesling, born and raised in La Porte, an Indiana University graduate and a Boys and Girls Club "big sister." The Foundation continues the positive work Lindsey began prior to her accidental death at just 22 years old.

Earlier this week, Spire Farm-to-Fork Cuisine in La Porte contributed up to \$1,000 – \$2 for each new Facebook like to help launch the Lindsey O'Brien Kesling page and to support the foundation's work.

The facebook "liking" promotion was held from April 17 through Wednesday.

For more information, contact Diane Gervais, at (214) 293-2041 or visit to <http://lokwishingtree.org>.
