Dot,

I am happy to inform you that the LaPorte County Fire Chief's Association at their September 11th 2014 meeting voted overwhelmingly to endorse LOK Wishing Tree Foundation. It is our hope that working with LOK Wishing Tree Foundation we can save lives from this deadly killer.

We look forward to working with you any way we can to make sure that Lindsey O'Brien Kesling Wishing Tree Foundation continues to educate the public on Carbon monoxide (CO) poisoning.

Respectfully

Randy Novak Chairman
